Re: Facilities Master Plan Committee Report

Background

A Facilities Master Plan Committee was appointed by the Superintendent in October 2007 and meets bi-weekly to undertake the task of developing and recommending a 5-10 year Facilities Master Plan. The Committee has 7 voting members: Jen Bernabei, Layne Dorr, Catherine Guthrie, Michael Hooper, Rob Lescoe, Randy Michaels, and Lisa Wang.

At its meeting in June, Trustees heard a preliminary report from Anne Jeffries of Solem and Associates on the results of a survey polling the Twin Cities community regarding facilities, educational programs, bonds and parcel taxes.

Analysis

The Facilities Advisory Committee has reviewed enrollment data and received reports from Greystone West on our modernization needs at Hall and Neil Cummins. The Committee has developed a conceptual plan for modernization and new construction for student housing for the next 5 years. A report will be drafted for review.

Financial Impact

To be determined.

Legal Consideration

Board Policy #7110 states Trustees will develop and maintain a Facilities Master Plan.
