

Welcoming our new Trustee...

Please join the Larkspur School District's Board of Trustees and me tomorrow evening as we bid farewell to Trustee Sally Blatt and welcome our newest Trustee, Dominique Halilej. Dominique brings several years of experience on school-level committees and has been Co-President of the Corte Madera Larkspur Schools Foundation. We are pleased to have her represent our community as a Trustee.

Sally Blatt will be honored at a reception following the Swearing-In of Dominique Halilej. Sally has served as a distinguished Trustee for seven years. Please join us in saying thank you to her for her dedication and commitment.

We also wish to thank the other applicants that interviewed before the Board on February 13. We feel so fortunate that we had such highly-qualified and competent applicants, all of whom demonstrated their willingness to be involved on behalf of all of our children. Thank you for stepping up to the governance challenges, taking a risk and expressing your continued support for our schools.

Facilities Master Plan Committee Update...

The Facilities Master Plan Committee has spent the last several months reviewing enrollment trends, site needs analysis, capacity and modernization costs, property usage and bonding capacity. Armed with this information, the Committee will begin its discussion of options for improving our current facilities, increasing classrooms for enrollment growth and continuous improvement of the educational environment for our students. We are encouraging interested parents and community members to attend our facilities meetings. The next meeting will be March 10 at 5:30 p.m. (the new start time) in the Hall Library.
